THE HOWLING PREACHER.

Roasting of the "Stinging Evangelist" at Los Angeles.

Many people of Honolulu will remember the visit of one Howland, who called himself a "singing evangelist," and "spiritual preacher." He was lately convicted of perjury at Los Angeles, Cal., for false testimony against C. S. Howard, a wealthy resident of Pasadena, whom he had unsuccessfully prosecuted for disturbing one of his meetings.

At the trial of Howland on his cross-examination it developed that the reverend gentleman had left a wife and reputation at Briggs Corner, Mass., that he had been ordained a Baptist preacher in Rhode Island in the presence of the Sheriff and Chief of Police, although he indignantly denied being under arrest at the time. Howland was driven out of Providence, R. I., by the newspapers. Deputy District Attorney Comas gave him a scorching at his trial at Los Angeles.

NOT REVIEWABLE.

Errors by a District Magistrate in Examination for Commitment.

The following was in type for yesterday's court report, but crowded out for want of space:

Chief Justice Judd is author of a decision in Republic of Hawaii vs. W. Fernandez. Defendant appealed from his commitment by the District Magistrate on a charge of perjury, on the ground of alleged errors of law made by the District Magistrate. The Court holds that such errors, committed during an examination of a person charged with a criminal offense cognizable before a jury, are not reviewable by the Supreme Court on appeal on points of law, and that the discretion of a magistrate in committing an accused for trial is not reviewable on appeal. A. M. Brown for the prosecution; Robertson for the defendant.

The fairer and more delicate the skin, the more likely it is to freckle and the worse it will look after it is freckled.

Thousands of women, otherwise beautiful, are disfigured by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured. La Freckla is the death-warrant to freckles.

The preparation of La Freckla is one of Mme. Yale's greatest achievements. There are many imitations, some of them very dangerous and hurtful to the skin; none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla.

New Process Stove

No lottery, raffle or game of chance, but a straight business proposition. Every person purchases one of our New Process Stoves between THURSDAY MORNING, JUNE 27, at 6 o'clock WEDNESDAY, AUGUST 7, will be entitled to one guess as to how many of these will be sold up to that time, it being then just five months since the first stove was put on the market. The person guessing correctly, or coming nearest to the correct number, will receive a present in cash of the full amount paid for his stove; in case of two or more persons guessing the winning number, each shall make a further guess on the sales of the following week person thus finally receiving the prize.

As the stoves will be sold at regular price, no one risks anything, only if you guess to the right number your stove costs you nothing. The prize being simply an ad. for New Process Stoves.

Seal your guess in an envelope and place your name and address on the inside, at private park on the outside. The envelopes will be carefully kept and no one but the public will know what is inside each until the date of opening. A correct list of stoves sold will be hung up before the opening of envelopes, which will be done at our store in the Block, Fort and Beretania, at 1 p. m. on August 7, in the presence of stove purchasers public.
